

HAWTHORNDEN PRIMARY SCHOOL

My school

Welcome to Hawthornden Primary School. This booklet will tell you all about your school.

This is my teacher Miss Hogg. She is looking forward to meeting me and having me in her class.

This is what my Primary 1 classroom looks like.

Outside my classroom I will have a peg to hang my coat and bag on. The toilets are beside the cloakroom.

There are lots of fun things to do in my classroom.

I have a block play area. I can build lots of amazing models here and I can use the animals and cars here too.

At the painting area I can paint on the easel with two other people.

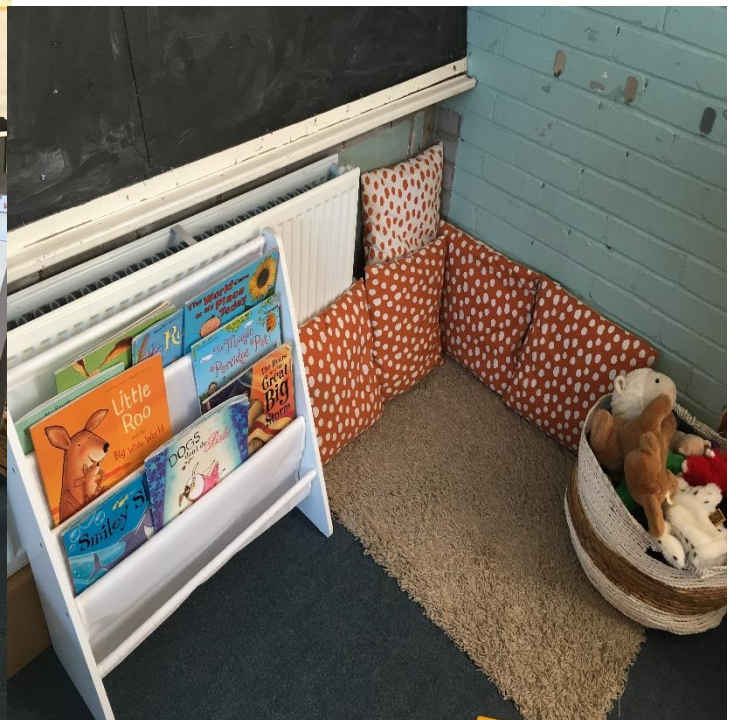

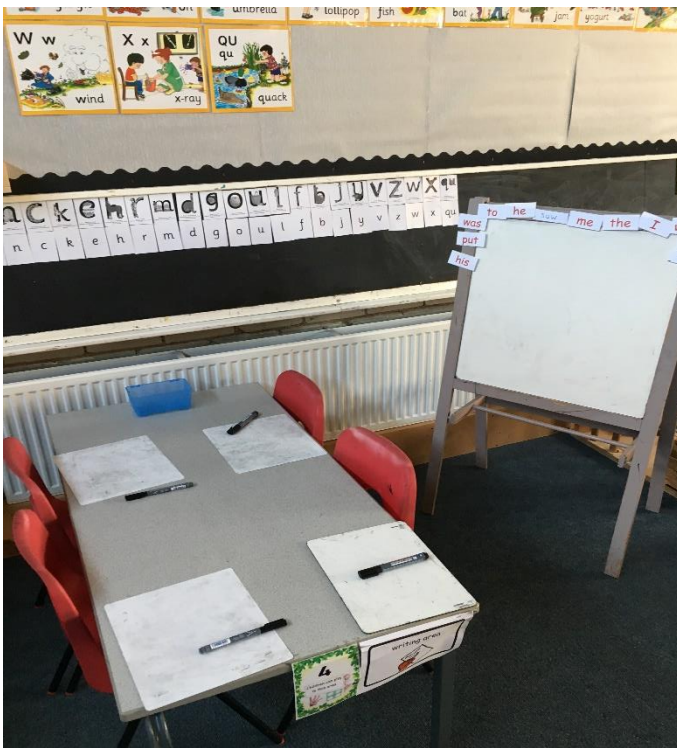

The playdough station has rolling pins and spoons to play with. I can use cutters to make shapes with the playdough.

The water tray has toys to help me measure.

I can learn letters at the writing station. I can use the whiteboards and whiteboard pens. I can chose a book in the library and read with my friends and teacher.

I can learn numbers at the maths station. I can play with cubes, counters, board games and write on workbooks.

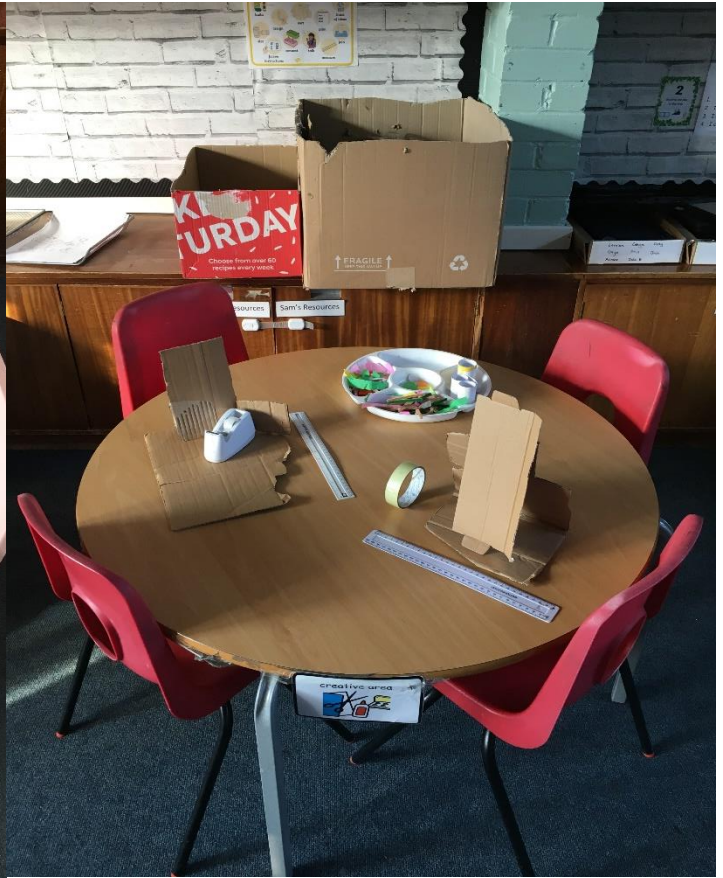

I can play in the home corner and role play area.

I can build models with the construction at the tuff tray area.

I can draw and colour at the craft table or build models at the junk modelling table.

I can play on my I-pad or play with a friend on the computer.

I can also play with the dolls house and garage.

During class time I can play outside the classroom too. It has lots of fun building toys and a house.

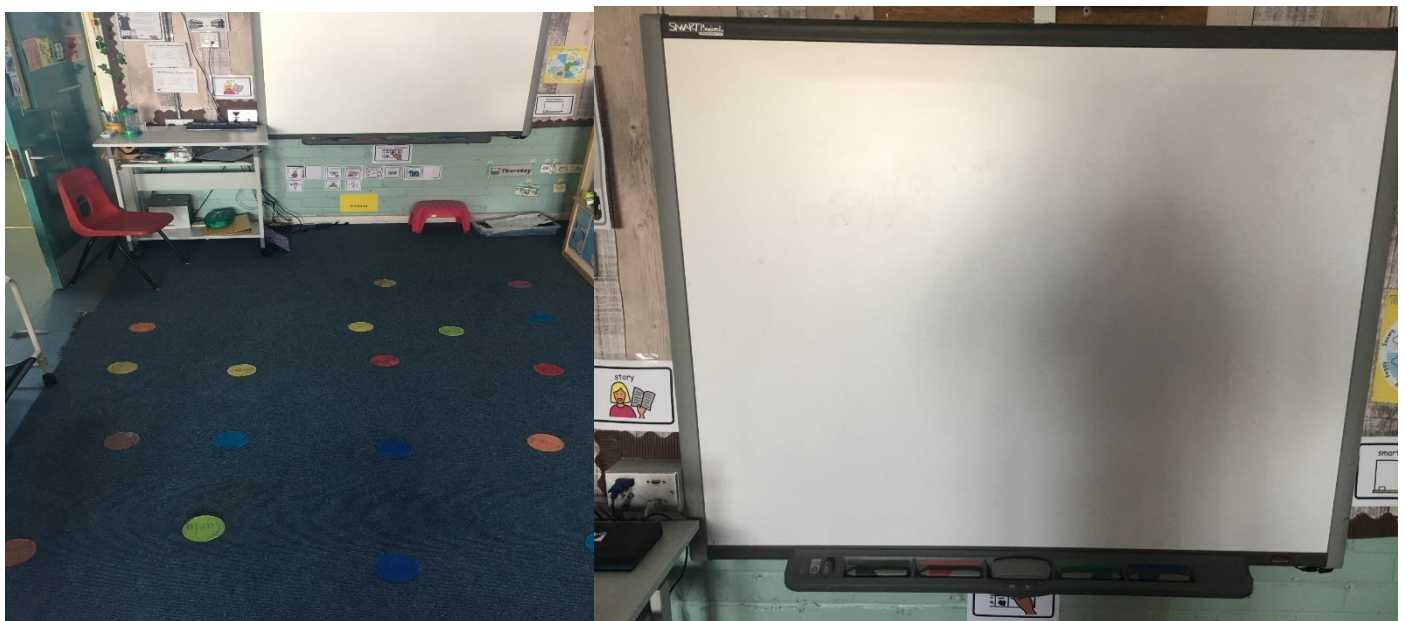

In P1 I will learn to ride bikes and scooters. I will use the school bikes and scooters but I can wear my own helmet.

Messy play is outside too. I can feel different materials and move my hands around them.

In the classroom, I will have a spot to sit on the carpet. I will learn letters and numbers on the big smartboard at the front of the classroom.

I will know what I am learning everyday because my teacher will show me the activities on the visual timetable. Every classroom has one.

I will do teacher tasks at the Teacher Table.

I will be in one of four houses. I will get house points when I make good choices and those points mean prizes.

I will have assembly in the Gym Hall. The Gym Hall is where I will also do my P.E. lessons.

In Primary 1 I will have a morning break and a lunch break.

I can take a snack outside at break time.

At playtime I will have lots of fun.

I will eat my lunch in the dinner hall. The ladies there will help me.

Mrs Murray will also help me in the dinner hall or playground.

Some other people who will help me in school are:

**Mrs Mellon
(Head Teacher)**

**Ms Johnson
(Depute Head Teacher).**

Mrs Scott and Mrs Boyle and Mrs Lawson all work in the school office.

**We look forward to you coming into P1!
School is a fun and exciting place where you learn lots of new
things and you will make lots of new friends.**
